

About **Renee L. Bailey**

Renee L. Bailey is a Support Specialist/Student Services for North Coast Council. She has been with NCC since 2013.

In addition to providing general student software support, she conducts end user training, creates custom SQL-based reports and page customizations in PowerSchool.

Prior to working at North Coast Council, Renee worked for ten years with the Westlake City School District starting as a Network Technician after graduating from college. During her last seven years with Westlake, she served as the District Technology Coordinator. She elected to accept the position with North Coast Council as an opportunity to work with more districts to have a greater impact in education and to pursue her interest in Data Management.

Along with studying ballet and running, Renee enjoys family time with her husband, Bill, and four children.
